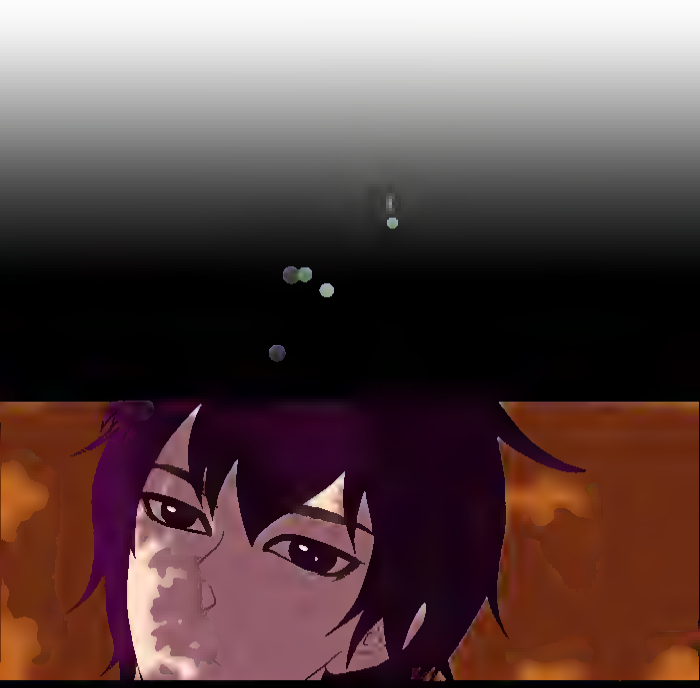
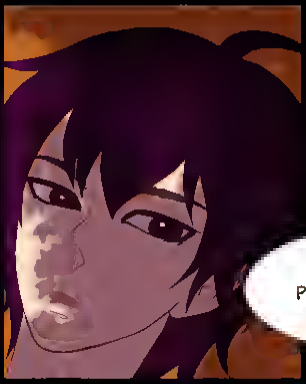
피노키오

side story 1.

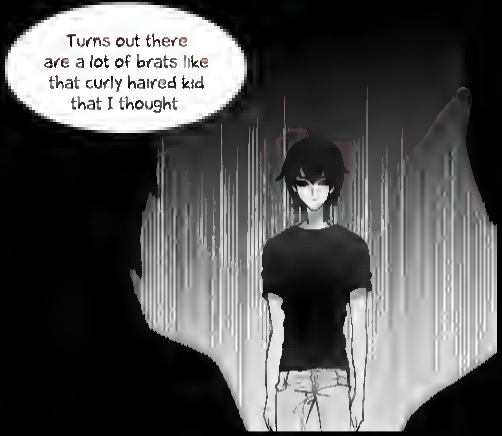


Ah.

I had more fun following that brat around.
Bullying him. Is that really fun?
You're sick.



I've been pushed around like that too



Turns out there are a lot of brats like that curly haired kid that I thought

They also want to take out their anger on people.

And none of them are decent guys.

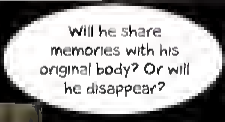
They're all just messed up bitches!

I've also been grabbed by the hair and tossed around before.
My sad history.
You're taller than me! You suck!
Ack!
And you're taller than me! Pisses me off!
Ack!
I just did it to curly hair too.

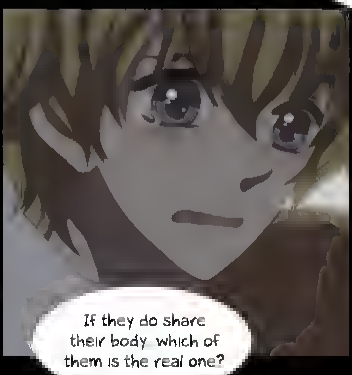
.....

That brat should have passed on by now

I wonder what it's like.



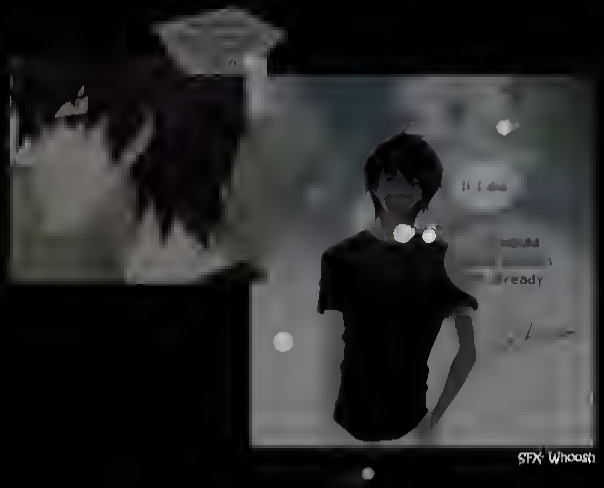
Will he share memories with his original body? Or will he disappear?



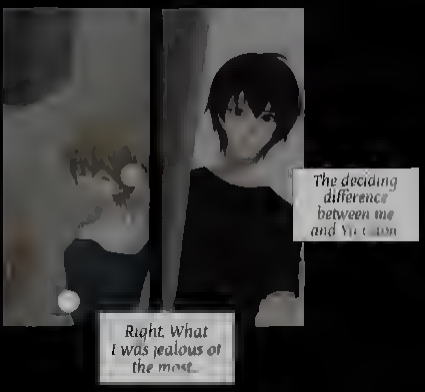
If they do share their body, which of them is the real one?

If you've curious, you could pass on too

Pass on?
Where would I go?



Our situations were a bit different.



That brat was still alive.

I also put the ring in my hand and ran from my memories as soon as I found them

Every day I ran I thought I was weird and laughable.

It was funny that I had escaped from reality because I hated it and now I am trying to go back to reality

Since I was weak when I ran away and became like this This me can only be fragile as well

I was more afraid of being alone

But the timing was so damn ridiculous
I had nowhere to return to anymore.

I've brought everything upon myself.

I tossed it where my little sister's ashes were scattered. Because when I held it, my memories would flood in all the time.

Don't say it's a waste or anything

I remember everything. I just have to not forget.

No way
...Will I be in this shape forever?
ACK!
Who knows Keke..

There should be a way.

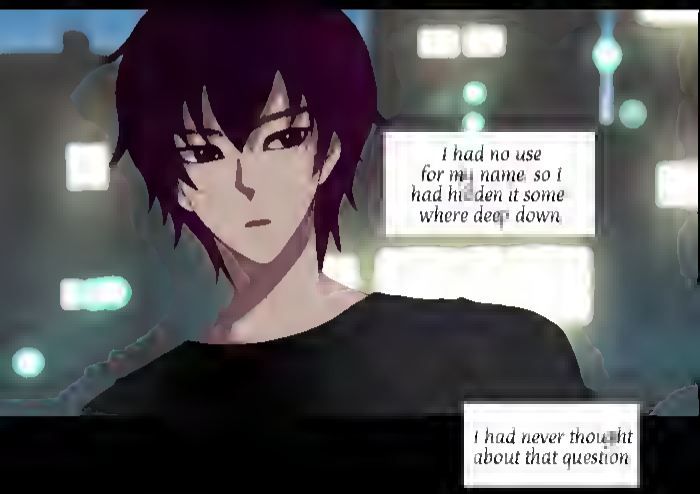
Before parting

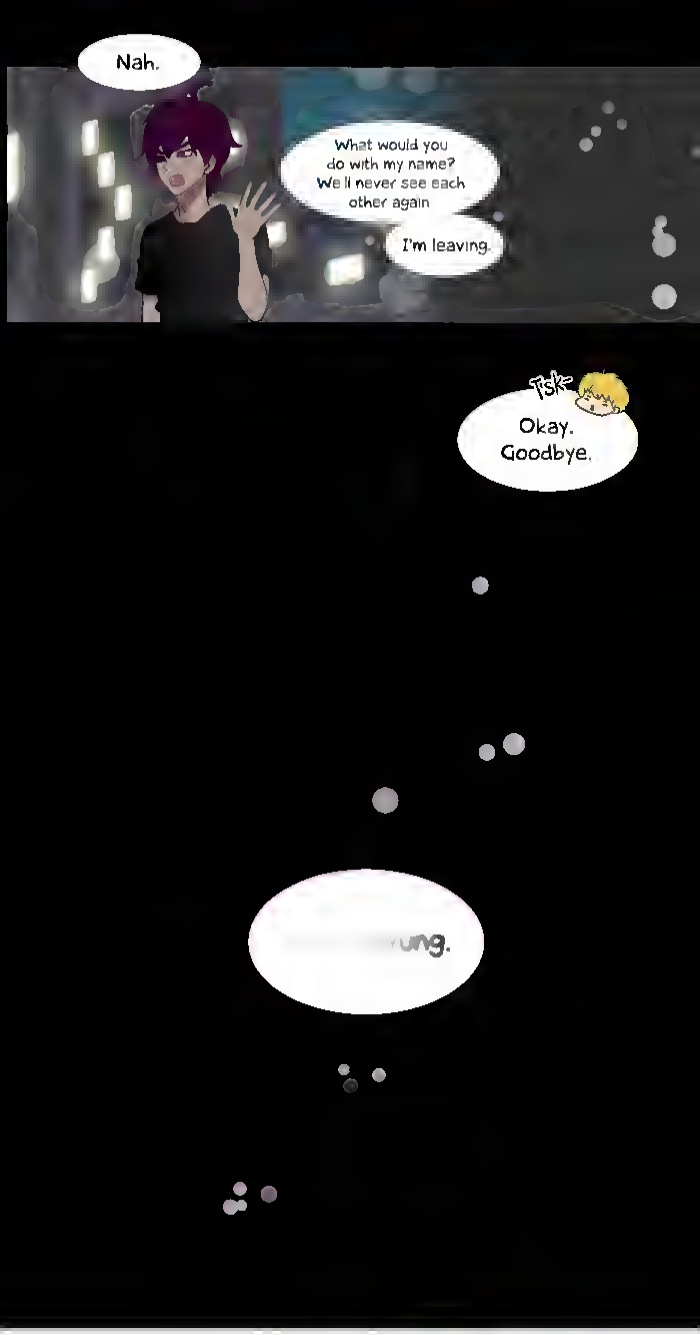
Ah, wait!

Hyung-

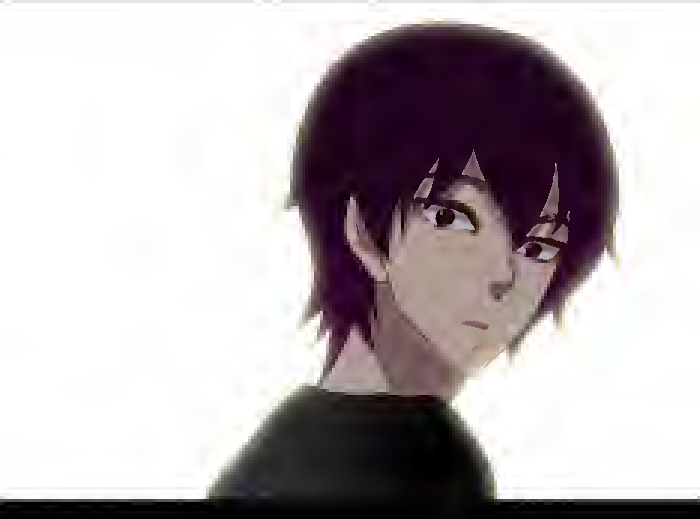
That one phrase

Name...?





Nah.
What would you do with my name? We'll never see each other again
I'm leaving.
Tsk
Okay. Goodbye.
ung.



Actually Haram told me once before
I remembered Oppa's name!
I suddenly remembered what I heard when I was young.
I remembered because it was pretty
She remembered.

What's your name?
You'll forget
I won't I'm smart! I'll remember
Somebody remembers me... Is calling my name
It makes me feel so good.

That's what I thought back then.
HmHm
Hahaha
Senile old man.
I'm in my twenties. I'm not an old man.
Jiang has been in this form for over 10 years.

Well, if you have nowhere to go, do you want to follow me?

By the way...
What are you? Are you the Grim Reaper?
Are you coming or not?

Hmph. It'd be great if you were.

Just take me already. I've been waiting.

Oh. Right. What's your name?

My name is—
